BEAUTY sector

MEDICAL sector

Our Cotton Plus PROFESSIONAL line is made up of **pure high quality cotton wool items, manufactured according to the European Pharmacopoeia rules**, to the European Directive 93/42/EEC and Directive 47/2007/EEC for medical devices and in respect of the current Italian law 194/99.

All our products are made with 100% cotton, bleached with hydrogen peroxide which does not contain optical bleaches, **hypoallergenic and dermatologically tested**. 100% MADE IN ITALY.

In addition to the classic range of carded cotton products, **stands out our innovative line manufactured with hydro-entangled/spunlace cotton**: due to the strength and the absence of lints, is highly recommended **for the professional field for both beauty and medical/health care sectors**. We know very well our customers needs and expectations: for this reason, we are able to offer our premium cotton products, but with a good value for money as we optimise costs of packaging and transport.

INNOVATIVE RANGE

Articles made with hydro-entangled/spunlace/nonwoven cotton

Innovation in the professional sector: the **PROFESSIONAL PADS**, from 200 to 700 pads of 100% pure cotton, supplied in space saving packaging, where the clear bags with a black and white sticker, are vacuum pressed in order to save as much money as possible in transport costs. Perfect for beauty sector, for make-up and nail polish removal in salons and spas, those are particularly appreciated in medical sector for tampon during blood tests and injections. Available also in a shelf friendly format, branded with our quality brand Cotton Plus!

CLASSIC RANGE

Articles made with carded cotton

The classic soft and absorbent carded cotton wool. Part of this line we have the **COTTON COIL**, perfect for hairdressers to protect the skin from hair dye and bleaching, the **PLEATED COTTON** available in various weights also pre-cut, the **ROLLED COTTON**, the **COTTON BALLS** and the **PROFESSIONAL BALLS**, the classic cotton balls supplied in bulk bags from 40 to 300 pieces, practical and convenient.
